

COASTAL COTTAGE BEDROOM

NEW PRODUCT INTRODUCTION

Our new Coastal Cottage Bedroom provides a stylish alternative that will withstand even the toughest use. The bead board accents are complemented with extreme durability that will contribute to easy maintenance and a long life in any residence. This style features wooden knobs, bun feet and a choice of two stains and three paint colors for a fresh, new look.

This collection offers choices of twin, full and queen headboards, together with bureaus, dressers, mirrors and night stands. Deep drawers allow for maximum storage.
